multiple initiatives towards - **End Malnutrition** campaign

by

Shri B. S. Yediyurappa
Hon Chief Minister of Karnataka

on

Thursday 31st October 2019 at 10:30am

at

Grand Steps, East Face, Vidhana Soudha, Bengaluru.

It is better to take all preventive measures before the birth of a child than to carry the burden of bringing up a weak and crippled child. Both doctors and authorities should educate women about pre natal nutrition and healthcare of foetus in the womb.

- **Sri Sathya Sai Baba.**

International Conference on Cardiology, 1993,
Prasanthi Nilayam

Children are the future of the nation, the seeds of tomorrow, the only answer to all the world's problems. Mothers are the greatest contributors to the human society as they bring forth children with much sacrifice. Both healthy mothers and healthy children together are nation's greatest assets. To nurture, nourish and strengthen them physically, emotionally, intellectually and spiritually must be our effort.

- **Sri Madhusudan Sai**

Sathya Sai Grama, Muddenahalli.

❁ Dedication to the Nation **SaiSure for Toddler**, a multi nutrient supplement for children less than 5 years.

❁ Launch of **SaiSure for Children**, a multi nutrient supplement for 10lac children complementing the KsheeraBhagya (milk) program of Government of Karnataka.

❁ Launch of **SaiSure for Pregnant Women**- a multi nutrient supplement for pregnant women in rural Karnataka

❁ Dedication to the Nation a Mobile App- '**Chirayu**' for recording the vital health parameters of children.

❁ Dedication to the Nation the Annual Report of Divine Mother & Child Health Program, Karnataka.
