Summary:

Ms. Madhavi, Secondary Grade Teacher at Raj Bhavan Primary School, shared:

“The children receive Chikkis every day during their short-break, and they truly enjoy them. It has also helped reduce their preference for junk food. These Chikkis, prepared with millets, peanuts, and jaggery, serve as a good source of nutrition and help address iron deficiency among children. We are sincerely grateful to Mavenir and Sri Sathya Sai Annapoorna Trust for providing this valuable support to our students.”

Sub: About providing peanut millet chikkis
to our children - Regarding.

GPS, Rajbhavan, Khairatabad Mandal, Hyderabad,

We are thankful to you for providing peanut millet chikkis from this academic year. Nowadays children are often tempted to eat junk food, which leads to lack of proper nutrition. When mothers try to offer them healthy food, they usually refuse to eat it. However, when they see other children enjoying these nutritious chikkis, they too are encouraged to try them - helping to improve their nutrition in a tasty way. At the same time, children are also avoiding junk food, which is a very positive change.

We are hopeful and sincerely expect this program to continue. Our heartfelt thanks once again to Sri Sathya Sai Annapoorna trust and Mavenir CSR.

Thanking you,

Jc. Sunitha

HEAD MISTRESS
GOVT. PRIMARY SCHOOL
RAJBHAVAN, HYD.

Summary:

The school thanks Sri Sathya Sai Annapoorna Trust and Mavenir CSR for providing peanut millet chikkis to the children. The children often prefer junk food and reject healthy options, but seeing their peers enjoy the nutritious chikkis encourages them to eat healthier. This initiative is helping improve children's nutrition while reducing junk food consumption. The school expresses hope that the program will continue and extends heartfelt gratitude for the support.
