NARENDRA MODI VISITS THE SRI SATHYA SAI SANJEEVANI HOSPITAL, NAVA RAIPUR, IN THE AUGUST PRESENCE OF SADGURU SRI MADHUSUDAN SAI

On 1st November 2025, as part of the **Chhattisgarh Rajat Mahotsav** marking 25 years of the formation of the State, Hon'ble Prime Minister Shri Narendra Modi visited Chhattisgarh. Among the most heartwarming moments of his visit was the '**Dil Ki Baat**' programme at **Sri Sathya Sai Sanjeevani Hospital – India, Nava Raipur, Atal Nagar**, where the Prime Minister met and interacted with **2,500 children** who were successfully treated for congenital heart diseases under the '**Gift of Life**' initiative in the august presence of Sadguru Sri Madhusudan Sai.

At around 10 AM, PM Modi interacted with children — once patients, now symbols of hope and resilience — whose lives had been transformed through **free-of-cost cardiac surgeries** and post-operative care provided by the Sri Sathya Sai Sanjeevani Centre for Child Heart Care.

These young hearts, once frail, are now full of dreams and determination — aspiring to become doctors, teachers, and athletes...

HONOURING SHARE

OUR STRENGTH – A GLOBAL CHAMPION AGAINST CHILD HUNGER

At the **One World One Family – World Cultural Festival 2025**, the **CSR Circle of Honour** was presented to **Share Our Strength**, represented by its Founder & Executive Chair, **Mr. Billy Shore** — the visionary behind the renowned **No Kid Hungry** campaign in the United States.

Founded in 1984 in Washington, D.C., **Share Our Strength** leads the **No Kid Hungry** movement, fighting childhood hunger through partnerships, education, and community programmes. In collaboration with the **Sri Sathya Sai Annapoorna Trust**, the organisation strengthens India's **Morning Nutrition Programme**, ensuring that millions of schoolchildren receive nutritious meals every day — a mission that perfectly embodies the spirit of **One World, One Family**.

During his acceptance of the honour, **Mr. Billy Shore** delivered a heartfelt and transformative address. Speaking about his first visit to **Sathya Sai Grama**, he reflected on the **power of bearing witness** — the ability to truly **see, feel**, and be **changed** by what we experience. “My colleagues and I are so inspired by everything that we have seen here,” he said. “Our job is to go back to the U.S. and bring more support to this important work, to help people understand that ‘One World, One Family’ is something that can actually come to pass.”...
