Headmaster from a School in RangaReddy District Speaks

The Headmaster, Mr. Bhaskar Reddy, from a school in Ranga Reddy district, shared that their school has about 450 students.

He expressed heartfelt gratitude to the **Vidya Jyothi Foundation** and the **Annapoorna Trust** for their continued support. He mentioned that earlier, many children would faint during the morning assembly due to weakness. The introduction of **SaiSure Ragi Malt** has been greatly beneficial in addressing this issue.

The Headmaster also noted that several 10th-grade students, who arrive as early as 7:30 a.m., often without having breakfast, now find the **Ragi Jawa** extremely helpful in improving their focus and energy levels for studies. The added **vitamins and minerals** in the malt are providing essential nutrients, making a positive difference in the health and well-being of the children.

SRI SATHYA SAI ANNAPOORNA TRUST AND VIDYAJYOTI.

Respected Sir/Madam

First of all, Nayantara Memorial Charitable Trust would like to thank Sri Sathya Sai Annapoorna Trust and Vidyajyoti for providing Sai Sure ragi and jaggery powder to the tribal students of our organization. For the past seven months, you have been providing us with the ragi and jaggery powder. The tribal students we teach are all first generation students and they suffer from malnutrition as they do not get balanced diet at home. Our students are now benefiting from drinking this healthy drink containing vitamins and minerals. After drinking this healthy drink they are feeling healthier. This has helped the students to be more focused in their studies.

Our members have spoken to the parents of the village about this, they said that their children are now much more energetic and focused on sports, studies or other cultural activity than before. We thank Annapoorna Trust and Vidyajyoti once again.
