# ANNAPOORNA ANNUAL DAY 10TH ANNIVERSARY

14th February 2026 | Sathya Sai Grama

The 10th Anniversary of the formation of the **Sri Sathya Sai Annapoorna Trust** was celebrated with devotion and gratitude on 14th February 2026 at Sathya Sai Grama, the Trust's headquarters. The milestone marked a decade of unwavering commitment towards ensuring that no child goes to school hungry.

*Sri Sathya Sai Annapoorna Trust Team Members*

The event was held in the divine presence of **Sadguru Sri Madhusudan Sai**, Chairman & Trustee of the Trust. The Chief Guest for the occasion was **Dr. Deepak Sawant** - Chairman of the Malnutrition Eradication Task Force, Government of Maharashtra, and a former Health Minister of Maharashtra

### **A Decade of Service: From Humble Beginnings to a National Movement**

What began in 2012 as a small morning nutrition initiative for a handful of underprivileged children has today grown into a massive national movement serving **over 1 crore children across 1.5 lakh schools and centres.**

In his address, Sadguru Sri Madhusudan Sai traced this inspiring journey—from personally arranging simple breakfasts for children of daily wage labourers, to developing a scalable and scientifically designed nutrition intervention in the form of **SaiSure Multi Nutrient Health Mix.**

The evolution of SaiSure was supported by institutions such as:

- National Institute of Nutrition
- Indian Institute of Millets Research
- CFTRI

The National Institute of Nutrition (NIN) report presented during the event further validated the positive nutritional impact created across schools in Karnataka and Telangana.

### **From Soil to School to Society**

A key highlight of the anniversary celebration was the emphasis on the “Soil to School” model—linking farmers, nutrition, and children’s well-being.

SaiSure is millet-based, aligning with India’s push toward nutritious and sustainable food systems. Farmers associated with the initiative have increasingly shifted toward organic cultivation, ensuring that the nutrition reaching children is both safe and wholesome. The Trust also emphasised the importance of recognising agriculture as a “knowledge economy,” honouring the wisdom and heritage of farmers.

The vision is clear:

- Strengthen farmer livelihoods.
- Promote organic and sustainable practices.
- Deliver fortified nutrition to children.
- Build a healthier nation.

### **Government & Community Collaboration**

The celebration acknowledged strong partnerships with multiple state governments including Maharashtra, Assam, Telangana, Karnataka, Goa, Puducherry, Daman & Diu, Andhra Pradesh, and Tamil Nadu.

Dr. Deepak Sawant, in his keynote address, appreciated the Trust’s humble and disciplined approach and expressed his commitment to expanding the SaiSure nutrition programme across Maharashtra, aiming to make the state malnutrition-free at the earliest.

He particularly noted that Maharashtra had significant potential to benefit from the programme and assured proactive engagement with the government to accelerate its implementation.

As highlighted during the event, true development is not defined merely by economic growth, but by ensuring that every child has access to nutrition, education, and healthcare.

**Sai Prasad Ivaturi**, Trustee & CFO of the **Sri Sathya Sai Annapoorna Trust**, presented the comprehensive report marking 10 years of the Trust's journey. The presentation highlighted the evolution of the morning nutrition programme from a small initiative in 2012 to a nationwide movement serving over 1 crore children daily. The report also detailed key milestones, impact metrics, government collaborations, farmer partnerships, and the roadmap for expanding the mission to reach 2 crore children in the coming years.

### **Vision Ahead: Expanding the Mission**

Looking forward, the Trust has set an ambitious goal:

- Reach 2 crore children in the next two years.
- Expand toward 8 crore children nationwide.
- Establish additional production facilities in North India to ease logistics and support local farmers.

The guiding principle remains unwavering:

**“Let no child go to school hungry.”**

### **Felicitations & Gratitude**

Government partners, support partners, volunteers, and staff were honoured during the celebration for their dedicated service in reaching SaiSure to millions of children across India.

The Vote of Thanks was delivered by **Jayaprakash Tallam**, Trustee & COO of the Trust.

### **Conclusion**

The 10th Anniversary was not merely a celebration of numbers—it was a reaffirmation of a sacred commitment. From a small prayer in a room in Bengaluru in 2012 to a nationwide nutrition movement in 2026, Annapoorna's journey reflects the power of compassion, collaboration, and collective responsibility.

As the Trust steps into its second decade, the resolve grows stronger:

To nourish every child.

To empower every farmer.

To build an inclusive and healthy Bharat.

# STRENGTHENING GLOBAL PARTNERSHIPS FOR CHILD NUTRITION:

## Ajinomoto Foundation Visit to Sri Sathya Sai Annapoorna Trust

It was a privilege to host representatives from **The Ajinomoto Foundation (Japan)**, along with partners from Edelman and Food Future Foundation, at the headquarters of the **Sri Sathya Sai Annapoorna Trust** at **Sathya Sai Grama** on **19th February 2026**.

The Ajinomoto Foundation, established by Ajinomoto Co., Inc., plays a significant role globally in advancing nutritional well-being through its philosophy of “Eat Well, Live Well.” With a legacy that traces back to the discovery of Kikunae Ikeda and the commercialization of umami seasoning AJI-NO-MOTO in 1909, Ajinomoto has been contributing to food culture, human health, and sustainable nutrition solutions across the world.

During the interaction, the delegation was introduced to **SaiSure Multi Nutrient Health Mix, Annapoorna Trust’s** flagship nutrition intervention designed to address hidden hunger among school-going children. Fortified with essential micronutrients, **SaiSure** plays a crucial role in supporting the physical growth, cognitive development, and overall immunity of children, ensuring they receive vital nutrition during their formative years. By complementing regular school meals, **SaiSure** has emerged as a transformational solution in bridging nutritional gaps and improving learning outcomes for children across communities...

# PARTNERSHIP WITH

## VOYA INDIA: NOURISHING YOUNG MINDS & EMPOWERING FUTURES

**Sri Sathya Sai Annapoorna Trust**, in partnership with **Voya India**, continues its mission of combating classroom hunger and supporting child nutrition through the distribution of **SaiSure Millet (Ragi) Multi Nutrient Health Mix**. This initiative is integrated with the Government-sponsored milk program across schools in **Bengaluru Urban, Bengaluru Rural, and Shimoga districts of Karnataka**, benefiting **21,164 students across 199 schools** between January and March 2026.

### Employee Volunteering: Spreading Nutrition, Awareness & Joy

As part of its CSR initiatives, Voya India actively participated in employee volunteering programs organized by **Sri Sathya Sai Annapoorna Trust** across government schools in Bengaluru, creating meaningful engagement with children and communities.

Volunteering events were successfully conducted at GMPS Hebbala Government School and GHPS Hennur Government School (HBR Layout, Bengaluru) & GMPS Nagavara Government School in the month of February, with enthusiastic participation from Voya India employees and strong support from school staff...

# AMAZON & ANNAPOORNA

## TRUST: A MEANINGFUL VOLUNTEERING INITIATIVE

On 27th February, we had a meaningful engagement at **ZPHS Girls High School, Shabad**, as part of the **Amazon Employee Volunteering** initiative in collaboration with **Sri Sathya Sai Annapoorna Trust**.

This visit marks the fourth year of our collaboration, through which **Amazon** continues to support government schools in **Ranga Reddy District** with nutrition supplies. During the session, we highlighted the importance of Fortified **SaiSure Ragi** and how consuming **Ragi Java** in the morning helps students begin their day with **improved energy, focus, and concentration**.

As part of the volunteering activities, the team also conducted sessions on hygiene awareness, healthcare guidance for young girls, and an inspiring career guidance talk, encouraging students to dream big and pursue their aspirations with confidence.

Over **100 students** actively participated in the sessions. It was heartening to see their enthusiasm and engagement, and the school staff appreciated the initiative and the support extended to the students.

A special thanks to **Latha M from Amazon** for her continued support and for helping make this event impactful. Together, we remain committed to nourishing the nation and empowering the next generation.

# A REVOLUTIONARY RETURN

## TO OUR ROOTS: PADMA SHRI DR. KHADAR VALLI AT SSSUHE

We were deeply honored to welcome the “**Millet Man of India,**” **Padma Shri Dr. Khadar Valli**, to **Sri Sathya Sai University for Human Excellence (SSSUHE)**, Kalaburagi. In a special session with our **Honorable Vice Chancellor, Dr. Srikanta Murthy**, **Dr. Valli** explored the vital connection between soil health and human health.

### The Science of Service

**Dr. Valli** expressed his joy in seeing the academic and infrastructural growth at our campus. A highlight of his visit was his appreciation for the **Sri Sathya Sai Annapoorna Trust**, which serves **Ragi Millet** health mix to over **10 million government school children across India** - a testament to the power of nutritious, traditional food in nation-building.

### Key Insights from the “Millet Man”

In a powerful address to our students, **Dr. Valli** shared three transformative pillars for a healthier future:

1. **Food as Medicine:** “When food is wrong, medicine is of no use. When food is right, medicine is of no need.”
2. **The Immunity Revolution:** Millets act as a powerful tool in managing diabetes and building natural immunity.
3. **Environmental Stewardship:** An urgent call to save our soil through sustainable, eco-friendly farming practices.

At **SSSUHE**, we believe education should empower students to lead healthier, more conscious lives. Having a visionary like **Dr. Khadar Valli** share his wisdom reinforces our commitment of shared vision of selfless service. Let’s return to our roots for a healthier nation.

# MEET WITH SECRETARY OF EDUCATION DR MILIND RAMTEKE OF TRIPURA

On 24th February, **Santosh Allath, National Manager – Operations, Sri Sathya Sai Annapoorna Trust**, met **Dr. Milind Ramteke, Secretary of Education, Government of Tripura**, to discuss collaborative initiatives for child nutrition and education.

During the meeting, **Dr. Ramteke** was invited to attend the “**Role of CSR in Viksit Bharat**” **Conclave**, scheduled to be held on 7–8 March 2026 at **Sathya Sai Grama, Muddenahalli, Karnataka**. The conclave aims to bring together PSU leadership, private sector leaders, government representatives, regulators, industrialists, and media to explore how CSR can accelerate India’s journey towards Viksit Bharat through impactful partnerships and large-scale service initiatives.

The discussion also highlighted the **Morning Nutrition Program** implemented by **Sri Sathya Sai Annapoorna Trust** across the nation in collaboration with state governments and institutional partners. Productive deliberations were held on the potential relaunch and expansion of the **Morning Nutrition Program in Tripura** on a larger scale, aimed at supporting the health and learning outcomes of school children.

We look forward to strengthening partnerships that nourish young minds and contribute to nation-building.

# SRI SATHYA SAI ANNAPOORNA TRUST

## Social Return on Investment (SRoI)

### THE SOCIAL ROI: QUANTIFYING THE IMPACT

#### 19X MULTIPLIER

FOR EVERY ₹1 SPENT, THE TRUST DELIVERS ₹19.2 IN SOCIAL VALUE. THIS IS HIGH-YIELD PHILANTHROPY, WHERE EFFICIENT DELIVERY MAXIMISES THE IMPACT OF EVERY DONOR RUPEE.

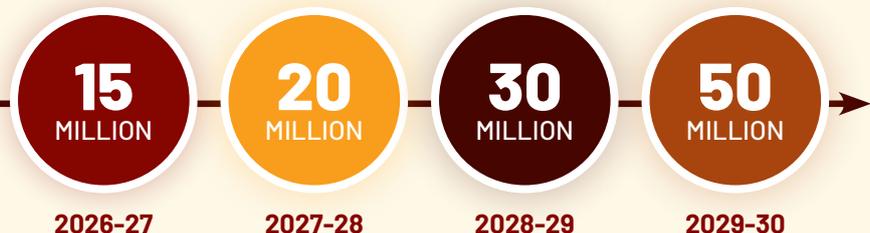

#### VISIBLE CHANGE

THE RETURNS ARE VISIBLE IN THE CLASSROOMS: INCREASED ENROLMENT, IMPROVED PUNCTUALITY, SHARPER MENTAL FOCUS, AND BETTER ACADEMIC PERFORMANCE. WE ARE FEELING THE NEXT GENERATION'S SUCCESS.

## ANNAPOORNA TRUST'S ALIGNMENT WITH UN SDG GOALS
