ANNAPOORNA MORNING

NUTRITION PROGRAMME LAUNCHED ACROSS FOUR TALUKS OF BENGALURU RURAL IN PARTNERSHIP WITH VOLVO GROUP CSR TRUST INDIA

7th September 2026 | Vijayapura, Devanahalli Taluk, Bengaluru Rural District

A significant step towards strengthening child nutrition and supporting the educational journey of government school children was marked with the launch of the Annapoorna Morning Nutrition Programme in Bengaluru Rural District, in partnership with Volvo Group CSR Trust India.

The programme was inaugurated at the Government Kannada & English Medium Boys School, Vijayapura, Devanahalli Taluk, and will extend Morning Nutrition support across the four taluks of Devanahalli, Hosakote, Nelamangala and Doddaballapura. The programme agenda included the ceremonial lighting of the lamp, distribution of SaiSure Fortified Ragi Malt and serving of Ragi Malt to students.

The event was graced by Shri K. H. Muniyappa, Hon'ble Minister for Social Welfare, Government of Karnataka and Bengaluru Rural District In-charge Minister, as the Chief Guest. Dr. K. N. Anuradha, IAS, DC, Bengaluru Rural District; Dr. Vasanthi Amar, IAS, CEO, Bengaluru Rural District;...

Inaugural launch of Morning Nutrition Program in Devanahalli in the presence of Shri K. H. Muniyappa, Hon'ble Minister for Social Welfare, Government of Karnataka and Bengaluru Rural District In-charge Minister.

STRENGTHENING
PARTNERSHIPS FOR CHILD NUTRITION

Vinutha Harish, Association President & National Representative 2026–27 of the Association of Inner Wheel Clubs of India, along with her delegation, visited the Annapoorna Trust headquarters on 12th September 2026.

Ms. Vinutha Harish (4th from left), Association President & National Representative of Association of Inner Wheel Clubs of India & her team with Annapoorna Trustees in Sathya Sai Grama.

A dynamic leader, accomplished sportsperson and committed social worker, Vinutha Ji has been associated with Inner Wheel since 2014 and has held several leadership positions, including District Chairman and Association Vice President. Her longstanding commitment to meaningful and sustainable community service makes her leadership journey truly inspiring.

Annapoorna Trust was represented by Jayaprakash Tallam – Trustee & COO, Ashish Bhardwaj – Trustee & CDO, along with members of the team.

The visit included a tour of the campus, covering the Sarla Memorial Hospital, Premamrutham Auditorium, Cricket Stadium, Veda Gurukulam, Goshaala and SaiSure Nutraceutical facility. At SaiSure Nutraceutical facility, the delegation viewed presentations and videos showcasing Annapoorna Trust's work in morning nutrition, nutritional education and child health.

The delegation was particularly inspired by Annapoorna's Morning Nutrition Programme, especially its focus on improving nutrition among school-going girls and children.

With Inner Wheel Clubs having a strong presence across India, discussions centred on connecting Annapoorna Trust with clubs in different regions. This opens up an opportunity for Inner Wheel Clubs and Annapoorna Trust to collaborate in supporting morning nutrition for children by sponsoring schools in their respective communities.

We look forward to building this meaningful partnership and working together towards a healthier and better nourished generation.

ANNAPOORNA TRUST

FOUNDER'S VISIT TO SAISURE FACILITY

The real measure of impact is not how many children we reach.

It is whether we continue to care for every child we reach.

On 15 September 2026, Sadguru Sri Madhusudan Sai, Founder – One World One Family Mission, visited the SaiSure facility and spent time with the team working behind the Morning Nutrition Programme.

His message was both inspiring and practical.

"You must go and see the difference for yourself."

As an initiative grows—from a few children to millions across the country—the challenges naturally grow too. But the answer is not to be overwhelmed by scale. It is to keep finding better, more creative ways to solve the challenges and stay connected to the purpose.

He reminded the team that this is a unique kind of service. A child needs nutrition every day. The work therefore has to happen every day—with consistency, commitment and care.

Sadguru Sri Madhusudan Sai's visit to SaiSure Facility.

And perhaps the most important message was about listening.

Not just speaking to officials and stakeholders, but going to the schools.

Talk to the children.

Talk to the parents.

Talk to the teachers.

See what is happening on the ground.

Understand what is working, what is not, and why. Then use that feedback to continuously raise the standard of the programme.

For the CSR community, he also highlighted something fundamental: impact is best understood through people and stories.

Instead of relying only on proposals and presentations, let the children, teachers and parents tell the story of what is happening on the ground. Their voices can bring the impact to life for partners and supporters.

The journey ahead is large. The ambition is to reach every child who is not receiving adequate nutrition.

The path may bring new challenges, new states, new partnerships and eventually new geographies.

But the direction remains clear:

Keep walking.

Keep listening.

Keep improving.

Keep growing.

Because behind every number is a child.

And behind every child is the possibility of a stronger, healthier future.

No Child Should Go to School Hungry, Ever!

FROM CLASSROOMS TO CAMPUSES: TAKING NUTRITION FORWARD

Extending nutrition support to young women pursuing higher education

Belagavi, Karnataka | 16 September 2026

Sri Sathya Sai Annapoorna Trust has extended its nutrition initiative to higher education with the launch of the SaiSure Ragi Multi Nutrient Health Mix Nutrition Programme at Sangolli Rayanna First Grade Constituent College, Anjaneya Nagar, Belagavi.

The programme, launched on 16 September 2026, will benefit 1,641 girl students pursuing degree programmes at the college, which is a constituent college of Rani Channamma University, Belagavi.

The initiative marks a significant step in extending nutrition support beyond school education and towards young adults during an important phase of their academic and personal development.

SUPPORTING NUTRITION BEYOND THE SCHOOL YEARS

Nutrition plays an important role throughout the educational journey. As students transition into higher education, maintaining a balanced and nutritious diet can complement their academic pursuits and overall well-being...

TAKING MORNING NUTRITION
TO ANGANWADI CHILDREN IN TELANGANA

On 21 September 2026, representatives of Sri Sathya Sai Annapoorna Trust met Smt. Dansari Seethakka, Hon'ble Minister for Panchayat Raj, Rural Development, and Women & Child Welfare, Government of Telangana, to propose the introduction of SaiSure Millet (Ragi) Multi Nutrient Health Mix in Anganwadi centres for children aged 3–6 years.

The Trust was represented by:

- Shri Vooturi Srikanth – Regional Manager, Operations (Telangana)
- Shri Pottabathini Kumaraswamy – Assistant Regional Manager, Operations (Telangana)
- Shri V. R. K. Shastri Prathuri – Assistant Regional Manager, Operations (Telangana)

The delegation presented its proposal to extend fortified morning nutrition support to pre-school children, seeking to support their nutritional needs during these formative years.

Smt. DansariSeethakka listened to the proposal and directed the Commissioner to examine and pursue the matter further.

Sri Sathya Sai Annapoorna Trust looks forward to continued engagement with the Government of Telangana towards extending its nutrition initiatives to Anganwadi children and supporting their early childhood development.

WHEN DREAMS

MEET NUTRITION, EVERY INTERACTION BECOMES MEANINGFUL.

As part of Amazon's monthly employee volunteering initiative, Amazon employees visited Mandal Parishad Primary School (MPPS), Yacharam Mandal, Ranga Reddy District, Telangana, on 24 September 2026.

The volunteers spent time with the children, speaking about their aspirations, conducting simple mathematics activities and engaging them in a session on hygiene and personal cleanliness.

One response from the children stood out — many of them expressed a dream of joining the Indian Army and serving the nation.

This opened a meaningful conversation on how good nutrition, health and physical strength can support children as they work towards their aspirations. The children were encouraged to regularly have the SaiSure Millet (Ragi) Fortified Health Mix and make the most of the nutritional support provided to them.

The visit continued with the Amazon volunteers and teachers serving SaiSure Millet (Ragi) Fortified Health Mix, along with distributing millet chikkis and millet cookies to the children.

Through the collaboration between the Government, Sri Sathya Sai Annapoorna Trust and support from Amazon, children across Yacharam, Kandukur and Shabad mandals are receiving morning nutrition support for six days a week, along with millet-based nutrition products.

Beyond providing nutrition, such volunteering interactions create opportunities for children to dream, learn, participate and believe in their own possibilities.

A heartfelt thank you to Amazon team for spending time with the children and making the day special.

Employee Volunteering by Amazon at Mandal Parishad Primary School (MPPS), Yacharam Mandal, Ranga Reddy District.

STRENGTHENING

GOVERNMENT PARTNERSHIPS TO EXPAND MORNING NUTRITION IN MAHARASHTRA

Anand Kadali – Secretary & Trustee – Sri Sathya Sai Annapoorna Trust met had a productive engagement in Delhi with Mr. Anand Rao Patel, Additional Secretary for Higher Education, Government of Maharashtra, who previously served as Secretary for School Education. Our continued engagement with him has opened new avenues to expand the Morning Nutrition Programme across Maharashtra.

Mr. Patel advised us to connect with the respective District Collectors and propose 50:50 funding model, through which the district administration and Sri Sathya Sai Annapoorna Trust can jointly support the programme. He also indicated his support in identifying opportunities in additional tribal areas, where district-level funding could help reach more children.

He further advised us to work closely with the District Collectors, secure their support, and ensure implementation follows all required government guidelines and protocols. He has also accepted our invitation to visit our campus, and we look forward to welcoming him.

This engagement marks a meaningful step towards building stronger district-level partnerships and reaching more children across Maharashtra with the nutrition they need to learn, grow and thrive.

Every child deserves a nutritious start.

STRENGTHENING OUR ENGAGEMENT IN THANE, MAHARASHTRA.

Anand Kadali – Secretary & Trustee – Sri Sathya Sai Annapoorna Trust met Mr. Ranjith, CEO, Zilla Parishad, Thane on 25th Sept, to explore the expansion of the Morning Nutrition Programme. As a first step, we will submit a proposal for a pilot covering a few government schools and initiate it after the necessary permissions. Based on the pilot outcomes, there is an opportunity to explore scaling the programme across Thane district, jointly supported by the district administration and Sri Sathya Sai Annapoorna Trust.

We look forward to working closely with the district administration towards ensuring that more children across Thane receive the nutrition they need to learn, grow and thrive.

STRENGTHENING
MORNING NUTRITION IN SANGLI

On 26 September, we met Shri Vishal Nirwane, CEO, Zilla Parishad, Sangli, along with Suresh Chougule from Kolhapur, to discuss taking the Morning Nutrition Programme forward in the district. Representing Sri Sathya Sai Annapoorna Trust were Kadali Anand Kumar, Trustee & CEO; Meruva Padma Radhika, Honorary Senior Accounts Officer – Receivables & Relationship Manager; and Anil R. Lingayat, Senior Executive – Operations (Karnataka & Maharashtra).

As the next step, Annapoorna Trust will submit a proposal for a pilot covering a few schools. Following the necessary permissions, the pilot will be initiated to demonstrate the programme's impact and outcomes.

The pilot could pave the way for expanding the programme across Sangli district through a potential 50:50 funding model, bringing nutritious mornings to more government school children through a collaborative effort between the government and Annapoorna Trust.

BUILDING A CULTURE
OF GIVING BACK IN KOLHAPUR

Sharing a few moments from our interaction with the Kolhapur volunteer group on 26 September.

It was a meaningful interaction where Kadali Anand Kumar, Trustee & CEO, and Meruva Padma Radhika, Honorary Senior Accounts Officer – Receivables & Relationship Manager, Sri Sathya Sai Annapoorna Trust, engaged with the group and discussed the Annapoorna model of operations and how the Morning Nutrition Programme can be taken forward through greater community participation.

A prayer was also organised with our volunteers and women staff involved in jaggery packing at Annapoorna, bringing everyone together in a spirit of gratitude and togetherness. We also had the opportunity to meet Chairman Ghatge ji during the visit.

The group is a large, closely connected family network, with many of their children studying across our educational campuses. Having directly experienced the value of education, there was genuine interest and enthusiasm to understand the programme and explore ways to give back to society.

Volunteering at a nearby Annapoorna beneficiary government school offers a simple and meaningful way for families to contribute—by supporting children in their own communities.

When we receive, we can give back. When we give back, we help build a stronger community.

Meet with volunteers from Kolhapur by Mr. Anand Kadali – Secretary & Trustee – Annapoorna Trust & Ms. Padma Radhika - Honorary Senior Accounts Officer - Receivables & Relationship Manager, Annapoorna Trust.

STRENGTHENING

COMMUNITIES THROUGH PARTNERSHIP: ANNAPOORNA TRUST AT AMAZON INCOMMUNITIES CELEBRATION IN SHABAD

Sri Sathya Sai Annapoorna Trust participated in a community celebration hosted by Amazon InCommunities on 30 September 2026 at Thallapally Village, Shabad Mandal, Telangana. The celebration marked the inauguration and formal handover of several community infrastructure facilities to the local community.

The occasion brought together the Global InCommunities team and various stakeholders to celebrate the collective efforts towards strengthening communities in the Hyderabad region.

A Meaningful Journey of Collaboration

For Sri Sathya Sai Annapoorna Trust, the occasion was particularly special as it provided an opportunity to meet and reconnect with members of the Amazon InCommunities team with whom Annapoorna has worked closely over the years.

The association began with Avinash Dwarapu and Chaitanya Pathak, whose support and guidance helped build a strong foundation for the collaboration. The journey has continued with TatajiUtukuri and Rashika, with whom Annapoorna is currently working...
